

tennsco Deluxe Storage Cabinets

For over 40 years, Tennsco *Deluxe Storage Cabinets* have set the standard for quality, convenience and performance. Heavy gauge steel throughout and 16-gauge doorframe construction, combined with up to four knuckle hinges, make these the most rugged storage cabinet of their kind. Louvers provide ventilation to reduce stagnation and fumes build-up. Two adjustable levelers compensate for uneven floors, allowing doors to hang squarely and close properly. Deluxe Cabinets can be used anywhere and stand up to a lifetime of heavy use, making them the best value for your money.

tennsco Jumbo Storage Cabinets

Need extra storage capacity for those “big” storage problems? Tennsco *Jumbo Storage Cabinets* are the perfect choice. This 48" wide cabinet provides 13 more cubic feet of storage than a 36" wide cabinet. Our specially engineered shelves utilize box formed construction to accommodate heavy loads. Even with the extra wide shelf span, they will support 400 lbs. per shelf! Each extra wide door rides on four heavy-duty leaf-hinges while a three-point locking system ensures secure storage for even the bulkiest materials. Integrated levelers keep the unit level on uneven floors. Available assembled or unassembled.
